'Sir Campbell Ince'

The 3rd highest score in the 37 year history of the ACC was made on Saturday 24 November when Campbell **Ince** compiled a chanceless **164 not out** at McDonald Park against Whitfords to help send 1st grade to equal top of the ladder after round 4. Batting at number 3, Campbell

combined with Englishman Luke **Durandt** (66) in a 108 run stand for the 3rd wicket, then with captain Ben **Christie** (50) for a 125 run partnership for the 4th wicket in what soon became a impressive total of 7 for 317. Luke also opened the bowling and snared 3 vital wickets the week before which helped restrict Whitfords to 197. In a scene reminiscent of Rod Marsh's broken bat blade back in 1980, Campbell also broke his bat when the blade detached from the handle, flying back down the wicket almost hitting the non striker after a cracking off drive. I'm sure the 100 Crown lagers promised by Val Steenholdt to any player to score 100 against Whitfords will go in some way to help soften the blow for Incey! Congratulations Campbell! Focus now turns to Western Suburbs back at Kent Street in round 5.

Baker's Dozen for ACC!

13 **wins** from 13 games across all 8 teams in Round 5 sounded like a pipe dream, but the dream became a reality last Saturday. It was clearly a "red-letter" round for the Red Caps with several outstanding performances, not least the swashbuckling **127 not out** from about 70 balls made by Michael "**Kanga**" **Bastow** in 1 day comp, Division 3. Congratulations on becoming a "Sir" of the ACC.

“500 Wickets For Baetsen”

Val **Steenholdts**' ACC record of 524 wickets is within sight of Burt **Baetsen** as he passed the mind boggling 500 wicket barrier on 24 November. Congratulations to Burt on reaching this brilliant milestone and also on still being capable of completing a 'jug skull' in under a time we would expect from someone half of his age!

It's been a good week for Dutch ACC players with Q Gunning pocketing a cool \$1500 at the hugely successful “100 Club”.

58th ACC 100 Gamer Fits The Cap Well!

The ACC Committee and all members are delighted to welcome Brett **Stralow** as the 58th player to reach 100 games. Brett's commitment to the ACC is a credit to him. Those who have been fortunate enough to play cricket with him always walk away looking forward to the next time they cross the line with him or stand at the bar with him. Brett now can have his cake and eat it too by working on the mines and playing cricket whenever he returns to Perth.

Auction night, 16Feb

"The club's biggest fund raising night of the year the ACC Auction Night draws ever closer. Start shaping your friends, families and local businesses for donations for the night. And if you have anything that is worth something, get it to the club. Moff will be looking to get everything together in the New Year. This year there will be more prizes throughout the night, and as a curtain raiser we are looking for nominations for the inaugural Shirley Strickland Gift. We are hoping to fly in the defending 100 metre Champion, Christo-Fatigue to defend his title. More information to follow.

“ACC Club song”

AAAAAAAAA...At Applecross

We love our cricket win or lose the toss

We left 'em wonderin' how the #@*% they lost

To Applecross

We play for victory, Down at the ACC

Applecross

We are the red caps, and we rarely ever fail

Coz when the stumps are drawn, we'll sit out on the lawn

And have a beer for Applecross

(Sing it again)

And have a beer for Applecross.
