"The official Newsletter of the Applecross Cricket Club" 5th Edition, Dec 2012

200 "Beautiful Games" For Fabio

The most beautiful cricketer in the Universe, Ramon "Fabio" Fletcher has officially played his 200th game for ACC in round 5. On behalf of everyone at the ACC "Crosswords" congratulates Farbs on reaching this milestone. Having also just passed 400 wickets, Farbs is well positioned to launch an assault on the club wickets record of 524.

"Solomon Reigns King At Home Of Cricket"

Ex New South Welshman Ben Solomon has blazed an amazing 123 not out from just 81 balls to place 6th grade in a commanding position at stumps on day 1, round 6. After dismissing Swan Valley for just 99, (Simon **Shub** 5 for 37 from 14 overs), ACC had 27 overs to face on day 1. Batting at number 3, Ben tore the attack to pieces smashing 18 boundaries on his way to his maiden ACC century. The onslaught came just 3 weeks after his club record 5th wicket partnership of 163 with Peter **Jordan** to seal the match against 5th grade opponents Wembley Districts. Entertaining stuff Ben, keep it going!!

“Jeevaraj Hits Big Time”

‘Crosswords’ has uncovered a breaking story which surrounds Gun ACC all-rounder Joe **Jeevaraj**. It is understood that Joe has landed a lucrative contract with junk food giant KFC which could see him cut all ties with ACC this summer in favour of 6 appearances at the “change of innings” at KFC Big bash Scorchers games! Pictured here in game 1 of the Big bash Joe was asked to explain his wayward bowling which was dispatched several times into the crowd at the WACA. “Fame hasn’t changed me” Joe told Crosswords, “It was a case of when, not if I would sign for a 6 figure sum!! I guess I better buy a few more drinks if I have time to get back to the ACC with my busy schedule. WASTCA just doesn’t cut it for me anymore, I don’t rate it”.
