And the winners are the "100 Gamers"

In an intriguing 20 Twenty match between the Presidents X11 and the 100 Gamers, the later achieved revenge for 5 consecutive losses by running out victors with 5 overs to spare. After some stirring words from 100 Gamers Captain Mike Kapiteyn in memory of ACC fallen greats, Eric Taylor (100 gamer), David Wells and Carol Prince, the scene was set for another epic battle. Despite the threat of serious injury, the 100 Gamers couldn't be denied victory and downed the president's X11 which boasted 5 founding ACC Members. Congratulations to all who took part in the match and those who helped to make the day the huge success that it was. Special thanks to Lorraine and Val Steenholdt for their huge effort with the BBQ, Coops for commentary, Jack Barendse, Luc Durandt and Chris Chellew for umpiring, and Captains Michael Kapiteyn and Len Blakey for their contributions.

Four of the 5 Founding members to play on Sunday 24Feb, Tim **Searson**, Ross **Tozer**, David **Turner** and Chis **Cooper**. The 5th Founding member, Rob **Adair**, is far right hand side of the team shot.
