"Nutsy notches 200 games"

Congratulations to Applecross Cricket Club's 1st grade wicket keeper, Damian "Nutsy" O'Hara who plays his 200th game for ACC in round 3.

Hardly having missed a game since joining ACC in 1991, Damian's work ethic, enthusiasm and passion for success all appear to be gaining strength as he plays more games. This prompted Club coach Mark Hullett only last week to present him with the "Coach's award". Those who have been fortunate enough to play with Nutsy will all vouch for his prowess behind the stumps, friendly nature and determination. Here's hoping for lots more great games in the red cap Nutsy.

Fact or Fiction!

Speculation continues that former ACC President and duel premiership winner Burt Baetsen could actually be the founding member of Movember! Pictured here in 1981 sporting a “pornstar” mo and flowing blonde locks, Burt Von Bung now only boasts hair on his back and in his ears!!

“ACC Club song”

AAAAAAAAA...At Applecross

We love our cricket win or lose the toss

We left 'em wonderin' how the #@*% they lost

To Applecross

We play for victory

Down at the ACC

Applecross

We are the red caps

And we rarely ever fail

Coz when the stumps are drawn

We'll sit out on the lawn

And have a beer for Applecross

(Sing it again)

And have a beer for Applecross.

Waltzing Matilda.....
