## "Gunning for wickets"

ACC Dutch Import **Quiran Gunning** has hit the ground running in round 1. In a devastating performance he helped reduce Doubleview-Carine to just 143 in 45 overs. With figures of 13.2 overs, 6 maidens, 6 wickets for just 34 runs he cut through Doudleview-Carines' top order in an awesome display of seam bowling which left them wondering how the hell they lost!!

Giving strong support at the other end was **Ramond Fletcher** with 3 for 43 from 13 overs.

To back up this great work, our other 1<sup>st</sup> grade import **Luke Durandt** from County Durham also started on a brilliant note guiding ACC from a precarious 3 for 20, out of danger with a classy 55 n.o. on debut. Captain **Ben Christie** got his 2nd season as captain off to a good start with a dominant 56 which almost sealed the win by stumps on day one.

Focus now turns to last year's premiers High Wycombe!

## 30 years at ACC!!

Congratulations to **Val Steenholdt** and **Rob "Don" Pulley** who this Month both celebrate 30 years at ACC. They are both still contributing on and off the field with Val chairing selections and an active committee member and Don Captaining the 2<sup>nd</sup> XI. Both lay claim to enviable on-field records with over 500 wickets each. A sobering thought, just \$40 a week over the bar for 30 seasons totals over \$31,000 each! Money well spent in anyone's terms.

## **“Utterly Injured”**

He might have been all smiles on Saturday night but after suffering the below hand injury as a result of a ripper nets bouncer Utters is in a race against time to be fit for round 3. No frozen peas for icing “or frozen veg of any kind” presented an issue for Utters at his Riseley Street abode. We wish him all the best for a speedy recovery and remind his housemate, Q Gunning, when doing the household shopping he needs to remember the veg, not just smokes and Dutch delicacies!
